

Temporary Display (i.e. – banner signs)

Temporary display sign (i.e. Banner)

A temporary display sign may be located only in a nonresidential zoning district.

A temporary display sign may not be located on the side of a building, if that side is located within 100 feet of a residential property line.

A temporary display sign may not project above the roofline or parapet walls of a building. Banners must be flush mounted to the building.

No more than one temporary display sign may be located by each establishment at any one time.

The diameter of any balloons used may not exceed 12 inches.

Banners shall be no more than 2 square feet of area for each linear foot of business frontage. The maximum size of a banner may not exceed 75 square feet.

A temporary display sign shall be displayed for a period not to exceed 15 consecutive calendar days and not more than 60 calendar days per year.

A single Temporary Display Permit application will cover up to 15 consecutive calendar days. Anything in excess of 15 consecutive calendar days should be submitted on a separate application form.
